

PRICING AND IMPLEMENTATION

Preferred Pricing for USPI Network Physicians

USPI's Physician Strategy Group is proud to offer Reputation.com at preferred rates to our network physicians. Through our strategic partnership, USPI Network Physicians **get 75% off the retail price.**

Only \$304 per year, per physician

Implementing Reputation.com

Getting started is quick and simple. With a few steps, you will be on your way to leveraging your online ratings and reviews, and converting the online consumer into a patient in your practice. After signing up, you will receive a welcome email from Reputation.com confirming your order with an invitation to attend a live onboarding webinar session of your choice.

Your live, 30-minute onboarding webinar session will cover:

- Accessing the Reputation.com dashboard
- Navigating the review platform
- Viewing your ratings and reviews
- Requesting reviews from patients and visitors
- Reporting and data
- Understanding your overall online reputation
- Live Q&A session with your dedicated Reputation Manager

Following your live onboarding session, you will receive another email from Reputation.com with the following:

- Tips and tricks for improving your online reputation
- Link to a recorded onboarding webinar session for future reference
- Contact information for your dedicated Reputation Manager
- Welcome email to set your password and login to dashboard

You will also receive ongoing support provided by your Reputation.com specialist and updates to new features and functionality as they are released.

Your reputation matters. So does the ability to grow your practice.

About Reputation.com

Since 2007, Reputation.com has been first in the Online Reputation Management and Digital Privacy space with over 1million users in over 100 countries, and supporting some of the biggest names in the healthcare industry, including Tenet Healthcare, and Baylor Scott and White.
